Hey Tina!

me

you

Hope you got back safe after your stay in my little village.
It was so cool having you around, just doing whatever we want!!!
Remember the flea market last Saturday? Loved that pink chair I found, it perfectly fits my room.
And that Skull Shirt you got? That was so you!!!
Oh, and I've got loads of ideas for new designs that we can make ourselves!
(I just finished a real hot hat!)
I swear we've got to do stuff like that again when I come and visit your town next weekend!
Write me!!
Love ya,
xxx Jenny xxx
P.S. How about inviting Trish and Keisha too? I bet they'd love to come over!

Nintendo

Use Nintendo Wi-Fi Connection to drop in on your friends around the world. Travel in groups of up to 4, admire what they've done to their town, and enjoy the complete freedom of Animal Crossing: Wild World. See you there. Out 31st March.

JACKIE'S BEST BITS

Hope you like the fantastic **TARDIS CLOCK** on the front of this issue! However, due to a hole in the space/time continuum, if you bought DWA in Tesco you'll find a brilliant radio and not the promised clock. Don't worry, though - if you buy the next issue in Tesco you'll get a clock! There's another **PACKED ISSUE** ahead – a cool fact file about **K-9**, plus the usual **BRILLIANT COMIC**, **JACKIE'S** finest moments, a look at the **SCARY WEREWOLF STORY** and **LOADS** more! See you next time.

The Girl in the Fireplace

Episode 4

Tick-tock, tick-tock!

Watch it!
Saturday 6 May on BBC ONE.

The TARDIS, now with Mickey on board, takes the Doctor and Rose to an abandoned spaceship over 3,000 years in the future.

SCARY MONSTER ALERT! Clockwork Droids!

Fireplace girl Reinette

It's all fantastically futuristic apart from a massive fireplace in one of the rooms! And when the Doctor looks inside the fireplace, he discovers more than just a fire. There's someone behind it – a young French girl called Reinette!

Time for a new adventure!

Something sinister is linking the spaceship to France in the 18th century, and there are strange clockwork robots trying to capture Reinette. Find out why in this exciting race against the clock!

READ IT!

For older readers, in this month's *Doctor Who Magazine* you'll find an interview with actress Elisabeth Sladen, who plays Sarah Jane Smith. And if you're after comic strip action, check out the *DWM Special Edition* featuring the ninth Doctor and Rose. Both are out now!

YOUR HEROES ARE...

THE DOCTOR
The mysterious traveller

ROSE TYLER
The Doctor's best friend

MICKEY SMITH
New TARDIS crew member!

JACKIE TYLER
Rose's fab mum

THE TARDIS
The Doctor's amazing time machine!

London, England, Earth. Home to Rose and Mickey. Everything's normal, just as it should be. Except there are zeppelins flying in the sky, everyone is wearing ear-pieces – and Rose's father is still alive! So something's not quite right, is it? But what?

Why does Jackie Tyler look so different?

Watch it!
Saturday 13 May on BBC ONE.

Episode 5

Rise of the Cybermen

Up to no good... probably

Run by a wheelchair-bound man called Lumic, Cybus Industries owns just about every company in Britain. And the company's latest project involves monsters the Doctor met in a different time and place – tall, steel giants called the Cybermen!

Don't miss the first part of this dangerous new adventure. One thing's for sure, at the end of it nothing will be ever be the same for the Doctor, Rose and Mickey!

Look outside. If you dare...

Shhh!
Find out more about the Cybermen next issue!

K-9

All the facts about the coolest robot dog in the Whoniverse...

TAIL

K-9 tail acts as an antenna. And if his probe circuit jams, all you have to do is waggle it about a bit.

PROGRAMMING

You can program K-9 through the keys on the top.

NAME

K-9 – like canine, which means 'of the dog family'. Not to be confused with K2, which is a name of a mountain. He's a robot dog and used to be one of the Doctor's best friends!

BODY

There have been four K-9 models. This rusty K-9 is the third version.

THE K-9 MODELS

THE ORIGINAL

The original K-9 model was built by Professor Marius in the year 5000AD. Marius gave K-9 to the Doctor, hoping that the robot was TARDIS-trained...!

K-9 is much more than just a robot!

THE SECOND

The Doctor built a new-improved K-9 after the original decided to leave him! This new model was damaged by strange Time Winds, and was forced to stay in an another universe called E-Space.

EARS
The ears work as tracking sensors. They respond to a dog whistle!

SCANNING
K-9's 'eyes' – an extending data probe!

BRAIN
Full of data – K-9's a clever dog!

DEFENCE
Blaster with three settings – stun, blast, dematerialise. Handy for getting away from aliens and all sorts of nasties...

DOG TAG
Useful if he gets lost!

Who is SARAH JANE?

Sarah Jane Smith is a journalist who used to travel in the TARDIS with the Doctor when he looked a bit different to how he does today...

Sarah Jane – and the fourth Doctor!

The current Doctor bumped into his old friend while they were both investigating the strange things happening at Deffry Vale school.

Like Rose Tyler, Sarah Jane loves the adventure, danger and excitement that comes with life with the Doctor.

The TARDIS dropped her in Aberdeen instead of South London when she originally left the Doctor... something which she never forgave the Doctor for!

K9 number three – a pressie!

THE THIRD
A third K-9 lived with Sarah Jane Smith – a present from the Doctor years ago! This K-9 got old and rusty and was sadly blown up when he helped destroy the evil Krillitanes.

THE FOURTH!
But K-9 lives on! The Doctor built another K-9 model as a surprise for Sarah Jane. Let's hope we meet them again some day soon...

GREAT! I GET TEN MINUTES OF TOPPING UP MY TAN AND THE NEXT THING WE'RE KIDNAPPED BY THE LOCAL HEAD-HUNTERS.

STOP OVERREACTING... THEY'RE NOT HEAD-HUNTERS, THEY'RE VERY PEACEFUL PEOPLE...

...THEY JUST DON'T LIKE OUTSIDERS VERY MUCH.

HOW DID YOU GET OUT OF THOSE ROPES? THE SONIC SCREWDRIVER?
I UNTIED THE KNOTS. SOMETHING A BLOKE CALLED BADEN POWELL'S GOING TO TEACH ME IN ABOUT TWENTY YEARS.
CAME IN VERY HANDY.
AND WHAT WAS ALL THAT ABOUT THE MEN OF FLAME? IT SOUNDED LIKE YOU KNEW WHAT HE WAS TALKING ABOUT.
ER... DOCTOR?
BEHIND THE WATERFALL?
NOT KNOW EXACTLY. IT'S MORE OF A GUT FEELING... OR A HUNCH...
...AN INKLING MAYBE. YEAH, THAT'S WHAT THIS IS - AN INKLING.
COME ON - WE NEED TO FIND SOME WAY OF GETTING UNDERGROUND.
SO WHO ARE THESE MEN OF FLAME?
THEY'RE CALLED THE CHALDERANS. SILICONE-BASED, INCREDIBLY HIGH BODY TEMPERATURE...
BRIGHT ORANGE? HORNS? SORT OF RIDGEY THINGS ON THEIR BACKS?
GLAD YOU WERE PAYING ATTENTION.
OH!
HELLO. FANCY SEEING YOU HERE.
YOU ARE TRESPASSING EARTHLET. NOW YOU WILL WATCH AS YOUR PLANET DIES!
SOMETIMES I WISH THE TARDIS DIDN'T HAVE THAT TRANSLATION GIZMO.

LATER .
DIRECT THE SECOND UNIT OF PODS TWENTY CLICKS SOUTH.
SOUTH? SURELY NORTH EAST?
SO WHO ARE THESE FREAKS? AND WHAT DO THEY WANT?
THEY'RE MINERS. BASICALLY THEY DIG INTO PLANETS, STEAL ALL THE LAVA FROM THEIR CORES AND MOVE ON...
...LEAVING THE PLANET TOTALLY DEAD.
TROUBLE IS, THEY'RE IDIOTS! HAVEN'T GOT A CLUE WHAT THEY'RE DOING! NINE TIMES OUT OF TEN THEY MESS IT UP!
DOCTOR! ARE YOU SURE WINDING THEM UP IS A GOOD IDEA?
JUST IGNORE HIM!
IT'S WEST YOU IDIOTS! YOU'VE GOT TWO HUNDRED DIGGERS ALL GOING IN TOTALLY THE WRONG DIRECTION!
YOU LOT COULDN'T EVEN STEAL A BONE FROM A PUPPY LET ALONE DESTROY A PLANET!
HE'S RIGHT. YOU'VE BEEN STEERING THEM TOTALLY THE WRONG WAY
ME? YOU WERE GIVING THE ORDERS. I SAID WEST!
YOU NEVER!
BADEN POWELL TEACH YOU THAT AS WELL?
NO... I USED THE SONIC SCREWDRIVER. HAD IT SET ON AUTO.
I THINK IT'S TIME WE LEFT.
TWENTY CLICKS WEST!
THAT'S WHAT I SAID!

PROCEED... CORE... TWENTY CLICK... WEST. ALL PODS
POD SEVENTEEN RESPONDING
DOESN'T SOUND RIGHT TO ME!
ORDERS IS ORDERS. THEY KNOW WHAT THEY'RE DOING.
ONLY ANOTHER HUNDRED METRES!
THEY'RE GAINING ON US!
AAARGH!
SSSSSSSSSSSSSS!
ARE THEY DEAD?
ONLY THREE THINGS KILL THEM. COLD WATER AND EXTREME HEAT...
WHAT'S THE THIRD?
STUPIDITY.
NO TIME TO EXPLAIN. BACK TO THE TARDIS.
IT'S NEARLY TIME FOR THE FIREWORKS.
WHAT'S HAPPENING, DOCTOR?
KKRAK!
EEEEEEOOOOOWWWWW!
PREPARE FOR A LOUD BANG! TURN TO PAGE 32 NOW!

WIN! A TRIP TO THE DOCTOR WHO EXHIBITION

DRAW A MONSTER TO WIN!

Here's your chance to win a family ticket* to the **Doctor Who Up Close** exhibition in Cardiff Bay – and you'll get to stay in a hotel, have fun in the Doctor's TARDIS of memories, including the Daleks, Sycorax, and Slitheen!

To win, draw us a really mean monster, give it a name, and the best monster wins the ticket!

*A family ticket admits two adults and two children. Travel to Cardiff is not included.

HOW TO ENTER

Send your monstrous monster in a sealed envelope to:

DOCTOR WHO UP CLOSE COMP, Doctor Who Adventures, Room A1136, 90 Wood Lane, London W12 0TT

Closing date: [illegible]

£1 off for entry reader!

Want to visit the exhibition anyway? Simply take this copy of **DOCTOR WHO ADVENTURES** along and show it at the admissions counter. You'll get £1 off the entry price.

The Doctor Who Up Close exhibition is open every day 11am-8pm. Adults £4, children £3. For more [illegible]

Hoooowwwwl! Beware the full moon and check out our guide to...

TOOTH AND CLAW

[illegible]

It's 1879, and the TARDIS lands in [illegible] monster in the cellar of large house. The monster's a werewolf and it's after a very special person – Queen Victoria.

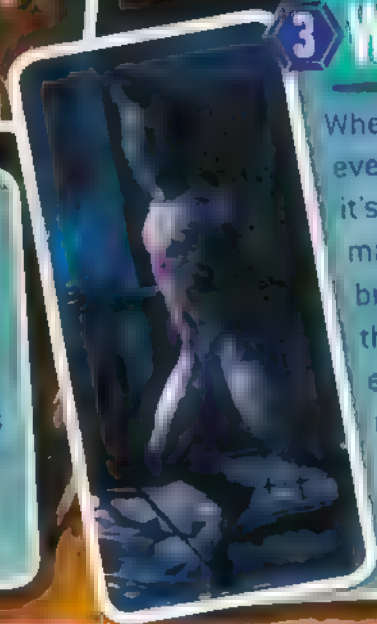
1 THE MONKS

Led by Father Angelo, these are no ordinary monks – they are warrior monks who worship the wolf! They've taken over a house, locked the servants and Lady Isobel in the cellar, and are waiting for the full moon..

By the light of the moon

2 CAGED

The scary Host sits waiting in a cage in the cellar. The monks capture Rose and lock her up, too. She realises this creature isn't from Earth and tries to find out what it is...



3 WOLF!

When the moon appears everyone soon finds out... it's a werewolf – and it's massive! The creature breaks free from the cage and attacks everything in sight. The massive beast wants a quick bite of Queen Victoria so that he can rule the Empire!

4 NOT AMUSED

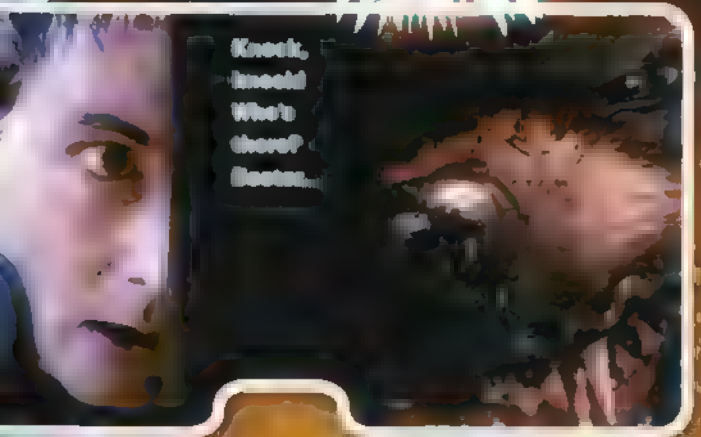
Queen Victoria was famous for saying she wasn't amused – and Rose keeps trying to make her **say it!** The Queen is carrying the greatest diamond in the world – the Koh-i-Noor – and the Doctor works out how it can stop the wolf.

5 LIGHT TIME

In the observatory, the Doctor uses the diamond to create a powerful light that destroys the monster... but the creature has bitten the Queen.

Survive the wolf!

If you meet a werewolf, it pays to have lots of mistletoe handy, as it's meant to protect you!



6 ARISE, SIR DOCTOR!

The Queen makes the Doctor 'Sir Doctor of TARDIS' and Rose 'Dame Rose of Powell Estate'! But, afraid of them, Queen Victoria asks the pair to leave her Empire forever. They leave, wondering if the Queen was infected by the bite of the wolf...

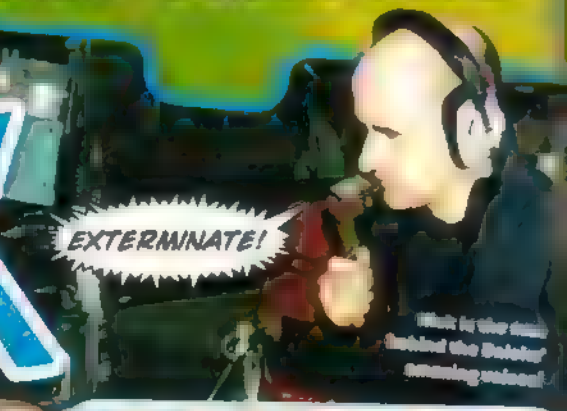
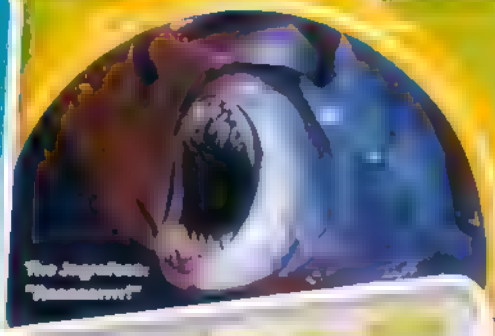
Monster TALK

Meet the man behind the voice of the Daleks – NICHOLAS BRIGGS



What is the man behind the Daleks' amazing voice?

Yes! The idea of what the Daleks are is very, very scary. They're so full of hate and are almost unstoppable. And they can fly!

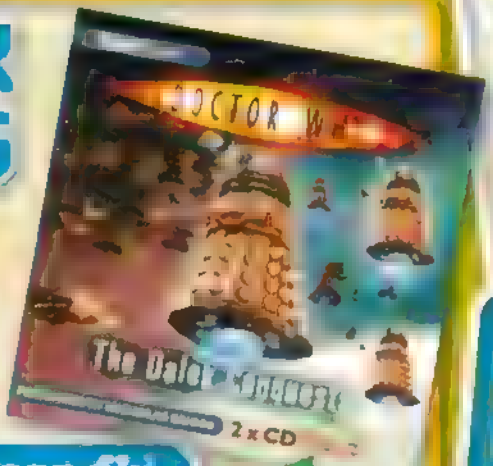


The Jagrafess "Yaaaaaaaa!"

I did the Nestene voice in the very first episode, *Rose*. That involved a lot of growling and saying 'Time Lord'. I also did some noises for the Jagrafess in *The Long Game* – and I do the Cybermen for the new series!

WIN

THE DALEK CONQUESTS



TRUE OR FALSE? Daleks can fly.

THINGS TO DO WITH A DEFEATED ENEMY

No.3 A SLITHEEN

Not living a life of crime can be difficult for members of the Slitheen clan, but they could easily earn a living in the joke shop trade as expensive whoopee cushions. Remember to mind their claws on your furniture

INSTRUCTIONS

1 Disguise your Slitheen as a tight-fitting comfy sofa or armchair.
2 Wait until someone sits on it.
3 Laugh as it parps!

BEWARE!

The Slitheen are cunning and not to be trusted. They may well charge an extra fee per parp!

The Doctor's data

File: 03 THE TARDIS

Making time travel easy

WHAT IS IT?

TARDIS stands for Time And Relative Dimension In Space – and it can go anywhere in space and time!

BIG SPACE SHIP

From the outside, you'd think only three people (who like each other *a lot*) could squeeze inside but if you stepped into the TARDIS, you'd find a huge control room from where the Doctor pilots the ship!

WHAT'S A POLICE BOX?

Police boxes were around before radios and mobiles – you could phone for help from them and police could lock people inside! The TARDIS should be able to disguise itself wherever it goes – but when it landed in London, 1963, it got stuck!

WEAPONS

If the TARDIS comes under attack, shields protect it from almost anything. It has no weapons but who needs them when you've got brains like the Doctor?

TRANSLATOR

The TARDIS translates billions of alien languages so you can hear English inside your head. Very handy for foreign travel.

Cut along dotted lines and keep in mind you spot a police box!

WAKING THE WOLF!

We go on set with the Doctor Who Confidential team for a sneaky look at TOOTH AND CLAW...

THE STORY

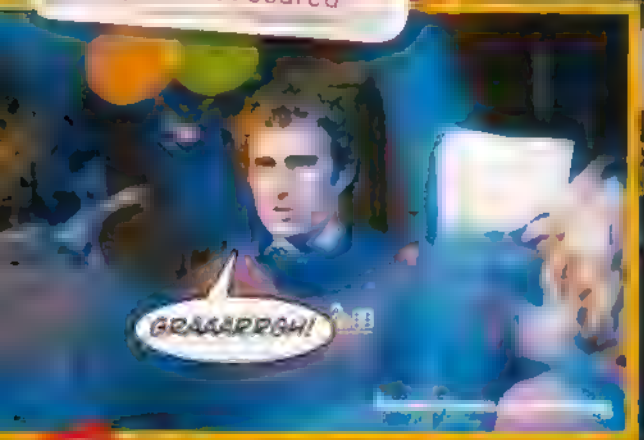
It's Scotland, 1879 – and there's a werewolf on the loose! What's more, it's after Queen Victoria

THE HOST

The Host (played by Tom Smith) has final touches to his make-up to give him that unhealthy look. Special lenses in the actor's eyes make them black and scary

DIRECTING

The director, Euros Lyn, is in charge of the episode. Here he's telling David Tennant (The Doctor) and Billie Piper (Rose) how to to play the scene. "It's simple... act scared!"



ROYAL LOOK

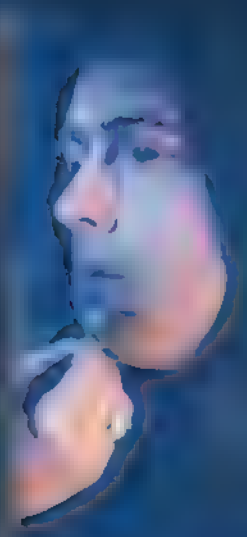
Actress Pauline Collins (Queen Victoria) is prepared for a scene.

Extra info

The fight co-ordinator for the Kung Fu movie played Leonardo in the Teenage Mutant Ninja Turtles film!

Extra info

In Tooth and Claw, we see the new Doctor without his tie for the first time!

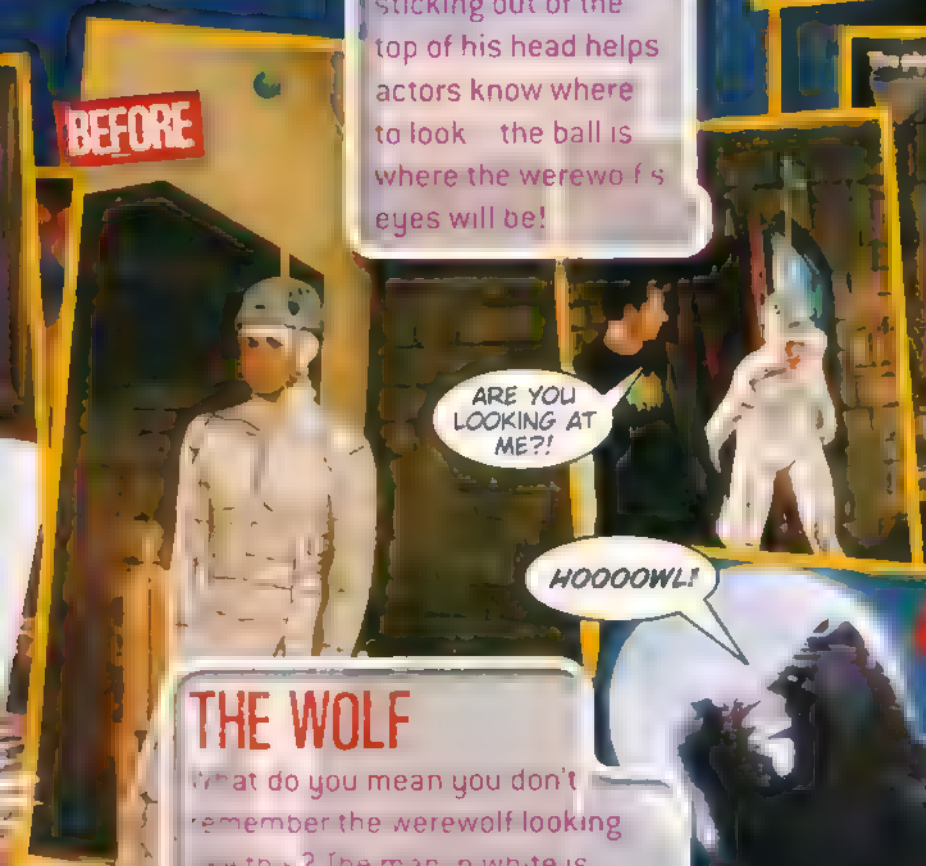


ACTION!

The Host waits for the clapperboard. When it snaps shut he can begin his terrifying change into a big werewolf!

ON THE HEAD

The rod with a ball sticking out of the top of his head helps actors know where to look – the ball is where the werewolf's eyes will be!



THE WOLF

What do you mean you don't remember the werewolf looking like this? The man in white is standing in the same position as the werewolf. The werewolf image is added by computer later.

For more behind-the-scenes secrets, tune into Doctor Who Confidential, BBC THREE, Saturdays, 7.45pm – straight after Who!

DOCTOR WHO ADVENTURES is printed on 80gsm M-Brite Gloss produced in Finland by Myllykoski. It is elemental chlorine-free and coated with china clay from Brazil and calcium carbonate from Finland. The cover is printed on 130gsm Royal Ikono, produced in Holland by Sappi/Nijmegen. It is totally chlorine free and coated with china clay from the UK and calcium carbonate from Europe. BBC Magazines is working to ensure that all its paper is produced without the use of chlorine and is sourced from well-managed forests (along the lines laid down by the Forest Stewardship Council). This magazine can be recycled, for use in newspapers and packaging – please dispose of it at your local paper collection point. It's full moon. HOOOOOOWWL!

TARDIS INBOX

Attention, humans! We need your art, letters and questions! Don't forget to send us your name, age and address.

I've just read the first issue from cover to cover, and think it's brilliant. My mum does too! We read the magazine together – and now she won't give it back!
From Thomas Canavan, aged 11

What great taste you both have! Glad you both like it so much!

*Thanks to **Matthew Wheeler, aged 5½**, who sent us a cool pic of a Dalek and his sister!*

***Alexander Allison** sent us this great picture of the last surviving human, Cassandra!*

***Natasha George, aged 10**, sent us this cool poem all about the horrible Daleks!*

Don't look back, just keep running,
Quick! The mighty Dalek's coming,
Every emotion removed except from hate
Hear its cry, "EXTERMINATE!"
Don't beg for mercy, it doesn't care,
Inside its amour, the worst nightmare,
Bullets melt before they hit it, so don't try,
But target carefully, and go for the eye!

PUZZLE ANSWERS:

Use a mirror to find the answers to this issue's puzzles!

PICTURE PUZZLE 1 school fig is missing, 2 tony has disappeared, 3 floors range is red, 4 trevor's non is panned, 5 tony has disappeared, 6 dalek's eye is missing

WORD SEARCH A – B – K – 1 – Harriet Jones, 2 – A – Lady Isobel, 3 – D – Duke of Manhattan, 4 – B – K – 5 – Perry Clark, **WHO'S MISSING** 1 Doctor, 2 Dalek, 3 Cassandra, 4 TARDIS, 5 Dalek, **WHO'S WHEN** ACROSS 1 Doctor, 3 Jackie, **WHO'S WHERE**

WIN! Be the master of time with the Daleks if your letter is the star letter! Each issue we'll give away a fantastic Dalek watch and clock to the best letter or picture.

Thank you, **Daniel Coombs, aged 7,** for your Dalek and TARDIS!

Here's a picture of me wearing a pinstripe suit, white shirt, tie and trainers like the new Doctor. I'm also holding my trusty sonic screwdriver in case I get into trouble on my travels!
From Jesse Curtis Harford

STAR PIC!

Thank you, Jesse! You'd make a great Time Lord!

Eleanor Maddocks, aged 2, loved her Slitheen mask! She added egg box claws, too!
